OUR MINISTRY

MINISTRY DESCRIPTION

Joe is the Philippine field computer/communications technician, which includes the following responsibilities: field e-mail server, office network admin, repair and building of computers, help with cell and satellite dish internet, as well as several phone systems. Sesil helps with new missionary orientation, as well as helping Joe with purchasing and secretarial work.

MISSIONARY ORGANIZATION

New Tribes Mission—Sanford, Florida

www.ntm.org

NTM is dedicated to helping local churches reach the unreached people groups in this world. They provide both technical and practical help and training to reach people living in primitive situations. NTM's goal is to reach the whole world with the gospel of Jesus Christ, giving everyone the opportunity to believe and be saved.
