

### A message from Rev. Brian Episcopo

"And now these three remain: faith, hope and love. But the greatest of these is love."  
1 Corinthians 13:13

When I feel that I have "been holy" and had a "good week" not struggling with bad habits, the less tolerance I seem to have for sin and sinful behavior. It's at these times however, I confess, that I can hypocritically become less tolerant of other "sinful people." Yet somehow, God is *so holy* and His love for unholy people is *so intense*; He sets the perfect example of what our response should be towards others who are struggling. The extremes He is willing to go to be patient with us and our sinful behavior, to sacrifice for us, is unfathomable; giving His one and only Son, Jesus Christ.

Something tells me that His unfathomable holiness is more connected to His incredible love than I'll ever truly understand on this side of eternity.
