**A message from Dr. Mark Harris:**

Our God is a God who wants to be known... actually, one who MAKES himself known! If you were to sum up the book of Exodus in one short phrase, this is what it would be: "God makes himself known." And he does so to the world!

In the midst of the plagues, God says to Pharaoh, for this very reason I have raised you up "to show you my power, so that my name may be proclaimed in all the earth" (Ex. 9:16)

We are familiar with Israel leaving Egypt – and so they did – but, the text reminds us that they didn't go alone: "A mixed multitude also went up with them...." (Ex. 12:38). A good number of non-Jews also escaped Egypt that day!

Here's the bottom line: Exodus is a missionary story! God's heart has always been the same, to make himself known that his people might worship/praise him!
