A Message from Pastor Brian Episcopo

Titus 2:3-4a: "Older women likewise are to be reverent in their behavior, not malicious gossips nor enslaved to much wine, teaching what is good, so that they may encourage the young women..." While not everyone may be a biological mom, every woman alive can be a spiritual mom. I've known people who lost a relationship with their biological Mom at some point, but found life-changing love in a "spiritual" mom of sorts. I know it is not the same as a biological mom. While, these "spiritual" parents may not have had a say in the beginning of their "spiritual" child's physical birth, they can absolutely be used in a person's spiritual "new birth" by discipling, encouraging, and helping grow their faith in Jesus.
